

## WEINGUT BOSSERT 2018 PINOT BLANC

### TASTING NOTES

The 2018 Pinot Blanc is a pale yellow with green reflections. Aromas of white flower, white peach, and banana peel. Medium bodied, with just ripe fruits of peach, lemon, white strawberry, and banana. The acid leads this wine making it perfect for salads, seafood, chicken and pork.

RS/ACID	3.5 g/L/6.8 g/L
AGING	Stainless steel for 9 months
VINEYARD SOURCE	Konigstuhl and Hollenbrand in the town of Gundersheim
SOIL	Loess with large veins of Limestone

---

### BACKGROUND

The Bossert family has been tending to their vines in the town of Gundersheim since 1848. The family made the decision to start making wine under their own label back in 2004. With much consideration, the Bosserts have chosen the three best grapes they feel they can cultivate; Riesling, Pinot Blanc, and Pinot Noir. In their cellar, the young winemakers are not much different than their ancestors of 1848. Today Phillip and Johanna Bossert, brother and sister, tend to the vines and wines using their experience from some of Europe's most prestigious wineries in Switzerland, Austria, Germany and France. The vineyards are farmed organically and local sheep are used to defoliate the vineyards.
