2017 CABERNET SAUVIGNON JACK'S VINEYARD, HOWELL MOUNTAIN, NAPA

TASTING NOTES

The 2017 Jacks Vineyard Cabernet Sauvignon is a beautiful deep purple. The wine is intensely fragrant with black raspberry, anise and fresh truffles. Acai berries, plums and light roast coffee is also apparent. The wine has a wonderful mouthfeel, moving to the cocoa dust tannins that Howell Mountain is known for, followed by fresh vanilla bean, slight eucalyptus and dark berry fruit. The tannins are softer than in previous years, but definitely present in a light chalky way with great mountain acidity. This is a great example of a single-vineyard site on Howell Mountain during and should age wonderfully over the next 12-13 years (2031-2032).

BACKGROUND

David Tate, a native of British Columbia, Canada, is the Winemaker and Founder of TATE along with his wife Suzanne Tate. Established in 2011, TATE is known for single expression wines from independently owned, micro-vineyards across the valley floor and mountain sides of the Napa Valley.

David is also the General Manager and Winemaker for Barnett Vineyards atop Spring Mountain in the Napa Valley since 2007. Prior to his work with TATE and Barnett, David was the assistant winemaker at Ridge Vineyards for five years at Montebello in the Santa Cruz Mountains. Suzanne Tate's roots are in Texas but will quickly tell you that Northern California and the Napa Valley are now 'home'. After five years of distribution in Texas, Suzanne had a chance meeting with David at a wine dinner and well, as they say the rest is history. Suzanne moved to the Napa Valley in 2010 and very quickly, the idea of TATE came to life.

From our small start of 400 cases, TATE is now producing just over 1,000 cases annually of Chardonnay from Yountville, Merlot from Calistoga and single-vineyard Cabernet Sauvignon's from St. Helena, Mt. Veeder and Howell Mountain.
