

VERMILLION

ABOUT THE BRAND

The quality of wine is based on the quality of all its inputs - good vineyards, smart farming, pure and focused winemaking - ultimately attention and TLC at every step. We make this wine from the vineyards to the bottle, working closely with grape growers from awesome little vineyard sites in Napa Valley, Sonoma County, and the Sierra Foothills. We've sought out interesting sites with great dirt, farm them with care and thought, and use traditional winemaking to craft honest wine and make an artisanal red wine blend to match any occasion, any food, any time. Vermillion is a terroir-driven, delicious, hand-crafted wine to be enjoyed any night of the week.

RED BLEND, 2018

"The 2018 Vermillion is a blend of Grenache, Mourvèdre, Syrah, and Cabernet Sauvignon (with a few other varieties in there as well) and comes mostly from Sonoma (69%) yet with 31% from the Sierra Foothills. Made by Helen Keplinger, it has a beautiful perfume of raspberry and strawberry fruits as well as notes of white pepper and flowers. It's ripe, seamless, and plush on the palate, with lots of Grenache sexiness, yet it stays nicely balanced and has fine tannins, all making for a beautiful wine well worth seeking out." - 92 PTS, Jeb Dunnuck, *Jeb Dunnuck*
