

FULLDRAW VINEYARDS

2017 FD2, FULLDRAW VINEYARD, PASO ROBLES

TASTING NOTES

The inky hued 2017 FD2 offers up a mammoth-sized personality that stays nicely balanced and lively. Full-bodied aromas and flavors of blueberries, candied strawberries, flowers, incense, and peppery garrigue all emerge from the glass, and it's a big, mouth-filling, seamless red blend that will keep for 5-7 years.. -Jeb Dunnuck 95pts

FULLDRAW

BACKGROUND

Fulldraw began in 2012 when Connor McMahon jumped on the opportunity to acquire a 100-acre vineyard site in the Templeton Gap of west side Paso Robles. With six years of winemaking and farming experience at adjacent property, Booker Vineyard, he understood that with its limestone soils and cooling maritime influences, this was a place where the Rhone varieties he loved would thrive. Connor works closely with crew members following organic farming practices in order to best take advantage of the site's demanding soil and extreme exposures. Fulldraw aims to create a sustainable and healthy environment for each and every vine in order for the resulting fruit to translate into beautifully balanced wines that fully express the unique place that is their home.
