2021 SAUVIGNON BLANC

In the glass, this lovely Sauvignon Blanc shows bright fresh pineapple, orange zest, white floral notes, and a somewhat spicy lemongrass aroma. On the palate the entry reflects many of those citrus notes again, but adds a touch of mineral saltiness as well as undertones of cinnamon and vanilla. 100% Sauvignon Blanc.

2018 INSPIRADO

"The 2018 Inspirado is terrific. Plump and juicy, with silky contours, the 2018 is a real joy to taste today. All the elements come together effortlessly in the glass. Best of all, the 2018 will drink well with minimal cellaring. It's a fabulous effort from KEEVER and winemaker Celia Welch."

2018 CABERNET SAUVIGNON

"Keever's 2018 Cabernet Sauvignon is fabulous. In fact, it is one of the best wines I have ever tasted here. Rich and explosive, with striking depth, the 2018 is beautifully layered and so expressive from the very first taste. Succulent dark cherry, plum, spice, menthol and licorice all build as this sumptuous Cabernet shows off its curves. I would give the 2018 a few years in bottle to soften. In a word: fabulous."
